Luxury onsite accommodation
- for you and your guests -

INTRODUCING OUR NEW FARMHOUSE

From Spring 2024, we'll be introducing our 11 luxury ensuite rooms in our farmhouse, to add to the existing Couples Retreat and Courtyard Rooms.

We've worked with award winning interior designers Van Der Poll White to transform the existing farmhouse into luxury guest accommodation, which will also offer additional options for your honeymoon suite.

The design has taken inspiration from the vineyard at High House, creating a fusion between the classical English countryside and romantic Italian Riviera that come together to create an ambience of sophistication.

By exploring the essence of romance we aim to create a warm and inviting ambience that evokes a sense of cosiness and homeliness, the perfect setting for guests attending a wedding.

We invite you to experience it for yourselves.

STEP INSIDE ...

The farmhouse consists of two adjoining properties.

The White House is a Grade II listed picture-perfect farmhouse dating back nearly 600 years to c.1450 with low beams and cosy rooms. It contrasts beautifully with the contemporary Black Barn that adjoins it.

All the rooms are ensuite and have been designed to the highest standards and furnished in an elegant and luxurious style.

You'll want your guests to feel at home, so we have provided tea and coffee making facilities in each house and an open-plan kitchen within the White House to enjoy breakfast and tell stories of the day before.

BLUE AND TERRACOTTA TONES, REMINISCENT OF THE TUSCAN HILLS

The use of textures, bold stripes and delicate floral prints create a warm and inviting ambience that evokes a sense of cosiness so that guests feel relaxed and welcome.

ALL YOU NEED TO KNOW...

Call the entire farmhouse your own for **£1500** per night, and choose who to allocate each of the 11 beautiful bedrooms to.

When will the new accommodation be available?

The new farmhouse accommodation will be available from Spring 2024. Couples will be able to reserve the accommodation from May 2024, but dates in May and June will be subject to confirmation of the renovation completion date, which we'll keep you updated on.

How many guests can be accommodated?

You'll be able to host a total of 27 guests across the Farmhouse (10 double and 1 single room), the Courtyard (2 double rooms) and the Couples Retreat (1 double room).

Can additional children stay in the farmhouses?

5 of the bedrooms in the farmhouse are able to accommodate one additional bed or cot, which we can provide at £20.00 per bed/cot, including breakfast.

Are the Courtyard Rooms still available?

Yes, these lovely self-contained rooms remain, and offer guests step free access and the convenience of being very close to both the ceremony and reception space.

Can we still stay in the Couples Retreat?

Absolutely! You may prefer the privacy of your own hidden retreat, but you will now have the choice to stay in the farmhouse with your guests, in one of the two Luxury Suites.

Can we book individual rooms?

Both Courtyard Rooms are available to book individually and there is an option to use part of the farmhouse, the White House, for £800 per night. This includes 4 double bedrooms and breakfast in the farmhouse kitchen.
